Just a quick note... I'm "flying fast & low" in preparation for the WBIA on Thursday. I'll call later.

However...

I stopped by the Farmer's Market late yesterday. Real late. Cynthia wasn't there but it appeared that her "assistant" was. I did not introduce myself. Sigagge per our last plan with Cynthia was not in place. I want to know that if she is not going to be there that at least there will not be translation issues between them. That is that we continue with the same agreed upon program.

I also looked at tree wells. The 3 new ones look good, I think. What do you think? I'd like to know your thoughts. (John is happy with the new ones. We will add new wood border to the interior. Still to be replaced is the insert that has broken section and the insert made of blocks.) Let me know.

Thanks. Talk soon. Have a good day.
